March 2020

## NOTES FROM DARRIN FIELDS

March is upon us and we are starting to see warmer weather. Soon the nights will be warm enough for grass seed on the golf course to germinate enabling us to fill in the bare spots that have developed over the winter season.

I'm pleased to report that the Fish Nights at the 19<sup>th</sup> Hole Restaurant under Chef Darin have been well-received by the residents. If consumer demand supports more evening meals, we may experiment with dinner service of a more limited menu next season.

Everyone should have received a 2020 Resident Survey in their mailbox last week. I am very interested in hearing your responses. Please, if you have not already done so, complete the survey and return it to the Post Office slot for outgoing mail no later than March 6<sup>th</sup>. If you have lost your original survey, there are extra copies in the Activities Office. I will use the survey responses to petition the Cocopah Tribe for the allocation of resources over the next year, so your responses really matter! I will report the results of the survey in the April Gazette.

I understand that many of you have been frustrated by the limitations of our former email system. In the next week or so we will be launching a new email system to enable us to communicate with you better. The Cocopah Tribe has purchased a sophisticated mass email system dedicated to the RV Resort. Please look for notices informing you of how to subscribe to receive the emails you desire.

I'm pleased to announce that Cocopah Pickle Ball players have joined an intermural Pickle Ball league. Please come out and support our teams!

I want to personally thank those of you with great throwing accuracy who played the dunk-tank game on Mardi Gras – as a “dunked one” – it was warmer in the water than sitting on the post!

I wish those of you who are departing in March safe travels. We look forward to your return next season. We appreciate you sharing the good news of Cocopah with your good-natured friends and family over the summer. We'd love for them to join us as well.

--- Darrin

## MAIL FORWARDING

When you leave us for the summer, please stop at the Administration Office and let us know. This enables our Security personnel to better protect your property. If mail forwarding labels are not submitted, mail will be returned to the sender. You should discuss additional details regarding your mail forwarding desires at the Administration Office.
